YORKSHIRE S.A. CHAMPIONSHIP CONDITIONS

All Championships shall be confined to A.S.A. Registered members of clubs affiliated to the Association
No competitor may represent more than one club or compete in any other counties championships. If a competitor is a member of more than one affiliated club then the club he names on his first entry form of the year shall be his declared club for that year of competition. For the purpose of this rule, Swimming, Diving, Synchronized Swimming and Water Polo shall be considered separately.

TEAM EVENTS:

In addition to the above conditions, the individuals forming the Teams must have been ASA Registered members of the club they wish to represent at least 60 days prior to the first day of competition. A swimmer may not compete for more than one team in the same event.

Entries will not be accepted from Local, Private, Youth or Schools' Associations that consist of a group of clubs.

Entries for Swimming Championships shall be made on the official form, or Sportsystem Entry Disk, which will be supplied on application and sent together with the entry fee to the Honorary Championship Secretary. Closing dates for swimming shall be four weeks before the date of the relevant Championships.

In the Age group Championships a competitor's age is that of his birthday on the date of the final Gala in the series. In 2010 this will be 21st March.

For the purpose of the Junior/Senior Championship a Junior swimmer is defined as 15 years and under on February 7th 2010. Junior Champions shall be decided as follows: In HDW events the Junior placing shall be determined from the heat results. In events with finals, should one Junior swim in the final they shall be declared the Junior Champion, should two or more Juniors swim in the final their relative final positions shall determine the Junior placing. If required other Junior placing shall be determined from the heat results.

In Team events, each competing club shall submit a list of its competitors to the recorders at least 30 minutes prior to the advertised time for the commencement of the gala session concerned. If the competitors are changed for the final, an amended list shall be submitted as soon as possible and at least before the commencement of the final.

Standard Entry Times are fixed annually by the Championships Committee for all individual events. No entry will be accepted unless the club swimmer declares on the entry form that the Standard Entry Time has been achieved.

No Entry cards will be used in this gala. It is important that swimmers who intend to swim in the 800m and 1500m Freestyle register with the recorders their intention to swim before 11.00am on the day of the event. (all heats to be swum in the morning)

Coaches, team managers and or parents may withdraw a swimmer from an event on the day of competition as long as it's before the first warm up of each session by completing the relevant withdrawal form.

At any Championships gala, there shall be not less than 15 minutes interval between the last heat of any particular event and the final of that event.

After the heats, when there are two or more swimmers from different heats with the same time for reserve place, there shall be no reserve in the final.

No swimmer shall be allowed, under any circumstances, to swim for a 'Time only'.

The Honorary Championships Secretary has the authority to adjust the number of entries accepted to ensure the smooth running of the Championships. Submitted entry times will be used for seeding and rejection purposes. When the Championships take place in a 10 lane pool all lanes will be used for the heats. 10 lanes will be used for the finals.

NOTE

Electronic Scoreboard:

Times and places shown on the electronic scoreboard are for information only, and are not necessarily the official result. The Referees decision is final.
